# **M&A Manager -** Trusted by Leading Banks to Targets Clients More Effectively and Grow Revenue

When it comes to the most trusted and reliable platform for M&A benchmarking and origination, banks know to call Dealogic. Analyze M&A opportunities like never before with content across capital markets and fee data, both aligned to your world view.

From competitive benchmarking to intelligent targeting, cross-market data, and wallet share analysis, M&A Manager provides the best platform to help you identify new M&A opportunities.

### If you want to:

#### M&A Manager is the answer.

#### **Comprehensive and Trusted Content**

In addition to comprehensive global M&A deal coverage since 1995 – mergers, acquisitions, divestments, recapitalizations, and buybacks – M&A Manager also includes all related capital markets financing data.

## Proprietary Fee Modeling with Greater Precision

With M&A Manager you can now have access to the standard-setting Dealogic fee model. It allows you to analyze primary investment banking fees, and break them down to specify:

- Buyside and sellside fees
- Cross-border fees
- All fee events related to a deal, including financing

Used by top global banks and all of the top-ranked analysts covering those banks, our fee model helps you to look at fees in a completely new way.
