

LevFin Manager – Trusted by Leading Banks to Target Clients More Effectively and Grow Revenue

When it comes to the most trusted and reliable platform for leveraged-finance benchmarking, strategy, and origination, banks know to call Dealogic.

From client targeting to wallet-share analysis, deal-level specifics, and debt maturity profiles across the corporate and sponsor universe, LevFin Manager provides the best framework to manage your business.

If you want to:

 <p>Better understand the addressable market and benchmark against peers</p>	 <p>Uncover fee-generating opportunities through intelligent targeting</p>	 <p>Analyze details about deals, companies, banks, plus sponsors and their portfolios</p>
 <p>Stay updated with access to deal calendars and pipeline information</p>	 <p>Increase connectivity with mobile access to analysis and reports</p>	 <p>Evaluate share of wallet using your proprietary classifications and coverage model</p>

LevFin Manager is the answer.

Trusted Content and Fee Model

Global coverage for leveraged finance began in 1995, and includes both high-yield bonds and leveraged loans.

The proprietary Dealogic fee model sets the industry standard, and provides directional accuracy on primary-market fees from leveraged finance. It is used by top global banks and all the top-ranked analysts covering those banks.

Trusted Partner

Dealogic understands what you need and how to satisfy your requirements by working closely with existing leveraged-finance clients. This partnership includes:

- Sharing best practices
- Effective client planning
- Actionable reporting and workshops
- Secondment of staff to work in-house with clients
